## EXAMINATION OF NCFM MODULES

With a view to shape the career of students and make them employable, our college has entered into agreement with National Stock Exchange (NSE) for conducting NCFM courses. In the first round of this program, 44 students enrolled themselves for the two NCFM modules i.e. Banking Sector Module and Investment Analysis and Portfolio Management. For the first time, the exams for these two modules were conducted in our college campus on October 23-24, 2017. The conduct of these exams was coordinated by CS Jyoti Arora with a technical support of Dr. Tejinder Pal Singh Brar.

## INDUCTION SESSION OF COMPANY FORMATION PROGRAMME

With a view to give first hand practical experience and exposure towards the real corporate environment to commerce students, our college organized an induction programme for the second round of the Company Formation Programme --" Tangled Threads -- Knitted Colors of SD" for the year 2017-18. A group of 75 students from commerce stream enrolled themselves voluntarily for the programme. The objective of the programme is to make students' achiever in their lives and to give them the exposure of real life corporate working. At the same time, the students were also made aware about the difficulties that may arise during this programme.

## LECTURE ORGANIZED ON CONSTITUTION DAY

To commemorate the constitution day, our college organized a lecture on "Constitution Day" on 27th November, 2017. The lecture turned into an open discussion where students cleared many of their queries. A 45 minute lecture was enough to make students feel proud of their motherland. They could see and feel the relentless efforts of the experienced members of the Constituent Assembly to draft such a document of national importance.
